We hope to see you there!

INDIANA GROWN FOR SCHOOLS SURVEY

The Indiana State Department of Agriculture's [Indiana Grown Program](#) (ISDA/IG) is gathering information as part of their involvement in a Farm to School grant and in partnership with [Purdue Extension](#) (PEX), [Indiana Department of Education](#) (IDOE) and the [Indiana State Department of Health](#) (ISDH). The information gathered will be collated into the [Indiana Grown for Schools: School Food Service](#)

[Resource Guide](#) which will be distributed to all Indiana public school corporations once completed. School food service directors can then use this guide to inform their local purchasing decisions. Participation in the **Indiana Grown for Schools: School Food Service Resource Guide** survey is not a guarantee of future sales and ISDA/IG, ISDH, PEX and IDOE are not responsible for the accuracy of the information you submit. Participation in the resource guide survey is voluntary. You will not be excluded from selling direct to schools if you choose not to complete the survey. Please click [HERE](#) to complete this short survey. The survey will close on October 30, 2018. If you have any questions about the survey or the grant Indiana Grown/Indiana State Department of Agriculture is a part of, please contact Heather Tallman at 317-697-5863 or HTallman@ISDA.IN.GOV. Feel free to share this survey link (<https://goo.gl/forms/HvSya1LCgPmJGXjQ2>) with anyone in your network who raises, grows, packages or produces food in the State of Indiana. If you know of anyone who would benefit from a printed version of this survey, please forward their contact information to Heather Tallman. Thank you for your time and participation! Indiana Grown
